*Phoenix Contact's factory has announced the following product(s) is going to be discontinued. Existing specifications will be met or exceeded. Technical support of the discontinued product will continue, as required. Please review and acknowledge this document and take the appropriate action with respect to your existing inventory and ordering replacement parts.*

#### Description for Product Discontinuation

The attached list of M12 sensor/actuator cables with SPEEDCON threaded coupling nuts has not been printed in our global catalog since 2014. In order to streamline our manufacturing process, we are now removing these articles from our standard product range.

The corresponding replacement products, which are still promoted in the catalog, have standard (full-thread) coupling nuts. These are **compatible** with SPEEDCON threads; however, the fast locking function can no longer be realized.

#### Stock Status
